

# THE FRONTLINE

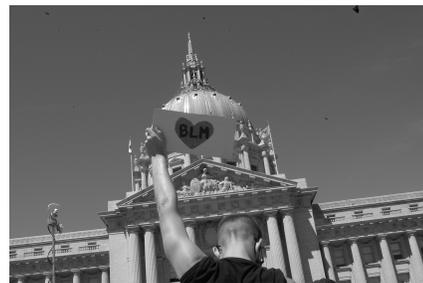

THE MISSION OF PRC is to help people affected by HIV/AIDS, substance use, or mental health issues better realize opportunities by providing integrated legal, social, and health services that address the broad range of social risk factors that impact wellness and limit potential.

**Forward this message to a friend** | June 2020

Dear Friend,

The awakenings in this COVID-era to the racial injustices facing Black and Brown communities for hundreds of years will be transformative. We stand with and strive to amplify voices of community members that have long faced cyclical poverty and structural inequity.

**BLACK lives matter. Our clients' lives matter.** PRC operates under the belief that an individual is not a victim but that their need is a symptom of our collective ecosystem that must be modified.

Through PRC's Black/African American Leadership Council, we seek to consolidate and improve the ecosystem hindering the health, economic and social conditions for black people. Though an integrated model of care, PRC seeks to see, serve, and uplift the whole person.

PRC is here. We're listening. We're working for change. [Read on below to learn how,](#) and find our full statement in response to tragic recent events [here](#).

In Community,

A handwritten signature in blue ink, appearing to read 'Brett Andrews'.

## 2020-2025 Strategic Plan: Transforming Lives and Systems of Care

While the way we deliver services is changing as a result of the COVID-19 pandemic, our goals are not.

After a nine-month community process, we proudly release PRC's five-year Strategic Plan to advance a baseline of health, reduce root causes of poverty, build racial equity, and "get to zero" for AIDS/HIV. **Read the full plan, and reach out with ideas or questions.**

---

## Our Evolving COVID-19 Response

Providing services to meet changing needs and circumstances every day, PRC's programs and services are all fully operational. We will begin to **re-open the Integrated Service Center on July 13th**--reigniting its full complement of PRC's resources, accessibility, and heart for staff, volunteers and clients alike. **Read about access and services now.**

## Give

So many of the people we support have been struggling to stay safe, to stay sober, or to stay connected to the people they are striving to be because they are afraid, enraged, broke, or lonely, with a safety net that is tenuous at best. **We see you, and we're here.**

- Hosting weekly support groups for women, for Spanish-speakers, and for disabled job seekers, keeping people supported (**Workforce Development**).
- Meeting the needs of hundreds of people, lined up each month, six feet apart (**Emergency Financial Assistance**).
- Keeping nearly 300 people housed each day and night, sustaining critical connections, hosting socially distant crisis counseling in Golden Gate Park (**Residential Services**).
- Helping those who've lost jobs and employer-sponsored health care access critical resources (**Legal Advocacy**).
